They keep calling out my name - I shout it down  
  
You ve made them wonder and know for sure  
you ve made them hunger at night and then run for the door  
you know you ll probably cry like caesar s son when you re found

It s not your place it s another town  
let s face it baby I m up and then baby I m down  
You ll watch the border offer you fame and watch you drown
