

Morning Moon
The Tragically Hip

Originally tabbed by Andrew Onorati.

I just made a couple of minor adjustments to the intro.

```

```

Am

The reactors down

C

I guess for labour day

G

Today s the first day I ain t seen a great plume of steam

Am

From across the lake

C

From across the lake

Em C G C

Hey that s a morning moon, yeah

Am

I m not making strange

C

I said someone s paying

G

When something s too cheap

Am

Somebody s paying something

C

He said someone s paying something

Em C G C

Under a morning moon, yeah

Em C G C

Say those little things that don t make anyone feel better, yeah

Cadd9 **G**
It didn't take too much to upset her
C **G**
Nothing that could clear a room
Am **C**
Just say one little thing that could make me feel better

Em C G C
Under this morning moon, yeah

Em C G C

Am
The sun s our light bulb
C
And the moon is a mirror
G
There are times when you can see both
Am
the bulb and the mirror
C
See the bulb in the mirror

Em C G C
And that s a Morning moon, yeah
Em C G C
Say those little things that don t make anyone feel better, yeah

Cadd9 **G**
It doesn t take too much to upset her
C **G**
Nothing that could clear a room
Am **C**
Just saying one little thing trying to make you feel better

Em C G C
Under this morning moon, yeah
Under this morning moon, yeah
Trying to make you feel better
Nothing too far from the truth
