

**Nuclear Bbq**  
**The Tragically Hip**

This is an unreleased track from The Hip s 1986 demo recorded by Ken Greer. I d encourage you to look the demo up on YouTube for reference, as there are parts I m not sure of the lyrics. Any suggestions would be welcome.

[Intro]

**Em Dsus2** x4

[Verse 1]

**Em D**

He asked me where I m at

**G C**

It s down a block around the back

**Em D**

Summer s head been cracked

**G C**

But truth be known, I m wild like that

**Em D**

On any other day

**Em D**

We d prob ly turn away

**C D**

We made the call, we never take the rap

**Em Dsus2** x4

[Verse 2]

**Em D**

and all the time I lost

**G C**

to find a cure I paid the cost

**Em D**

I climbed a castle wall

**G C**

despite my fear I fought it all

**Em D**

I ve taken this and that

**Em D**

Been around and back

**C D**

Making out like things were really tough

**C D**

Never knowing when to say
