

Monster
The Treble

C **G**
Call me your lucky number

Am
Call me your superstar

F **C** **G**
Call me the answers to the questions bout the way that we are

C **G**
Call me your second chance

Am
The something you left behind

F **C** **G**
Call me the reason for the reasons that you know you ll never find

[Chorus]

Am
Call me a monster

F
If only for a moment

C **G**
I could show you that I ll never let you down

Am
Wish we could go where

F
The pages turn the lights off

C **G**
And erase everything I d written down

Am
Maybe the cold air

F **C** **G**
Has chilled us to the bone

Am **F** **C**
So call me your monster so I know I m not on my own

G

C **G**
Call me your confidence

Am
Call me your confidant

F **C** **G** **C**
Call me your cost in conversation that you know you never want

G
I ll be another mess

Am
You wish you never made

F **C**

I ll be a reason to impress

G

I ll be a chance you never take

[Chorus]

Am

Call me a monster

F

If only for a moment

C

G

I could show you that I ll never let you down

Am

Wish we could go where

F

The pages turn the lights off

C

G

And erase everything I d written down

Am

Maybe the cold air

F

C G

Has chilled us to the bone

Am

F

G

So call me your monster so I know I m not on my own

[Bridge]

F

You were the reason that I

C

I never dare say never

Am

I always said this

G

Maybe it could last forever

F

You re always on my mind

C

I was just a waste of your time

Am

These days, I feel like maybe

G

I could leave it all

[Chorus]

Am

Call me a monster

F

If only for a moment

C

G

I could show you that I ll never let you down

Am

Wish we could go where

F

The pages turn the lights off

C

G

And erase everything I d written down

Am

Maybe the cold air

F

C G

Has chilled us to the bone

Am

F

C G

So call me your monster so I know I m not on my own

Am

F

C G

So call me your monster so I know I m not on my own

Am

F

C

So call me your monster so I know I m not on my own

G
