

Wherever You Go
The Treble

Am F C G

Whoa

Am F C G

Whoa

F

I was born

G

Am

F

Believing there was just a little something more

G

Am

Like we were searching

F

For distant shores

G

Am

F

G

And they were always telling our shipwreck stories

F

So take me on

G

Am

F

Through all the wildest nights dreams American

G

Am

F

They said youth is wasted on the young

G

Am

Don't know wrong from right so

F

Take me by the hand

Take me by the hand

E

I go

[Chorus]

Am

F

C

When you've gone too far; no turning back

G

Am

When you feel the stars breathing down your neck

F

C

This is who we are, and baby I'm a wreck

G

F

But I would follow you wherever you go

Am C Dm

Oh, oh, oh

F

Wherever you go

Am C Dm

Dm

[Chorus]

Wherever you go
Am C Dm
Oh, oh, oh

Em

[Chorus]

Am F C
When you've gone too far; no turning back
G Am
When you feel the stars breathing down your neck
F C
This is who we are, baby I'm a wreck
G
But I would follow you
