[Verse 1]

I picture the rain on windows and I think of how  
I wonder if you remember, if you ever know

[Chorus]

Places I dream about, how we ll be getting out  
then I can follow the sun  
You will be with me, I know you will give me a  
hand to get everything done  
Call me number one, call me number one

[Verse 2]

Will I be afraid to tell you, that I m coming home?  
I m ready to take the high road, I ve been away too long

[Chorus]

Places I dream about, how we ll be getting out  
then I can follow the sun  
You will be with me, I know you will give me a  
hand to get everything done  
Call me number one, call me number one
