

Highway Of Heros  
The Trews

Tabbed by Eddie Perry, pretty easy song

Highway of Heroes

The Trews

intro: G C F C G C F C

Am F G C  
The day I shipped out they numbered a dozen

Am F G C  
Upon my return were a hundred or so

Am F G C  
From the coast and from the prairie I bet they keep coming

Am F G C  
Add one more name from Ontario

G C F C  
And carry me home down the highway of heroes

G C Am G  
People above with their flags flying low

G C F C  
Carry me softly down the highway of heroes

G C F C Am F G C Am F G C  
True patriot love There was never more

Am F G C  
I served with distinction No visions of glory

Am F G C  
I served without question of personal gain

Am F G C  
Seek no justification It s not part of my story

Am F G C  
And it offers no comfort to the ones who remain

G C F C  
And carry me home down the highway of heroes

G C Am G  
People above with their flags flying low

G C F C  
Carry me softly down the highway of heroes

G C F C G C Am G G C F C G C F C  
True patriot love There was never more

Am F G C  
I took up my vocation I was called by my nation

Am F G C  
Without hesitation my answer I gave

Am F G C  
Now I am not wondering of things that I might ve been

**Am**            **F**                    **G**            **C**  
I m no consolation to the forgotten brave

**G**                    **C**                    **F**                    **C**  
And carry me home down the highway of heroes

**G**            **C**                            **Am**                    **G**  
People above with their flags flying low

**G**            **C**                            **F**                            **C**  
Carry me softly down the highway of heroes

**G**                    **C**                            **F**                    **C**  
True patriot love    There was never more

**G**                    **C**                    **F**                            **C**  
Carry me home down the highway of heroes

**G**            **C**                            **Am**                    **G**  
People I love    with there hands down    low

**G**            **C**                            **F**                            **C**  
Carry me softly down the highway of heroes

**G**                    **C**                            **F**                    **C**  
True patriot love    There was never more

**F**    **C**                            **F**                    **C**                    (repeat and fade)  
There was never more    There was never more
