

Hope And Ruin
The Trews

This song uses a modified chord progression of G, G/F, C, D when played with capo in the 4th fret. The original key is Eb. You can tune your guitar down to Eb if you like but I think it sounds better with the capo.

G	G/F	C	D
3	3	3	2
3	3	3	3
0	0	0	2
0	0	2	0
2	0	3	0
