Iâ€™m not even happy

Sheâ€™s said sheâ€™s had it
She said she s moving out
It hit me so hard
Iâ€™m trying to drown it out

Tonightâ€™s the night
I ll dance like no oneâ€™s watching
And Iâ€™ll sing a song
Like nobody is listening
Cause Iâ€™m just that drunk
And heartacheâ€™s blurred vision ain t it fun

I canâ€™t stop laughing
I canâ€™t stop laughing
I canâ€™t stop laughing
I m not even happy

Where will I go now
The life I knew is gone
Some way or some how
We all keep moving on and on and on and on

Tonight, Tonight
Come on and set me free
From yesterday and all
Itâ€™s haunted memories
Itâ€™s almost closing time
And I donâ€™t want to leave

I canâ€™t stop laughing
I canâ€™t stop laughing
I canâ€™t stop laughing
Iâ€™m not even happy

I canâ€™t stop laughing
I canâ€™t stop laughing
I canâ€™t stop laughing
Iâ€™m not even happy
