Man Of Two Minds
The Trews
Look like the first one but I made it easier...
The Trews
Man of two minds
intro : C/G(032013)
C/G(032013)
                         C/B(020013)
                                                         G
Tryinâ\in<sup>™</sup> to build a bridge across my hearts divide
                      C/B
                               Αm
Caught between two opposite signs
C/G
              C/B
                                        G
I want it all and I canâ\in<sup>™</sup>t decide
                                                  Am
                                                        G
If I should leave you here or stay with you a while
Fm
Chorus:
C/G
I love you I love her
I need you I need her
I'm always gonna love you
I'm always gonna love her
                   C/B
                                            G
                                      Αm
I guess I should just let this thing die
                    Fm G
Cause I.....am a man.... of two minds
Fm C G
C/G
                 C/B
Standin' all alone by the river side
                      C/B
Runnin' out of reasons I can justify
           C/B
                Am
What kind of man am I?
                        C/B
Who can tell a lie and look you in the eye,
```
