D
A moment in time, despair and fear

Nothing s ahead you are right here
Em **G** **D**
Near is the pain tragedy changing you dear
D
Catastrophe, everything s gone

Nothing today was agreed upon
Em **G** **D**
You had no choice as you watched the curtains be drawn

Chorus:
Em **G**
Hands in the air, prayers and hymns
Em **G**
Everyone s here it s time to begin
Em **G**
All that was there and what might have been
Em **G**
Is no longer here it s time to begin
Em G D
Yearning

D
The hour is late it s almost done

Without an end we can t go on
Em **G** **D**
As dark as it seems soon you will see the day s sun
D
Perchance to dream there is the rub

Permanent sleep, nice dreams will come
Em **G** **D**
Try to have faith to carry you on as you run

Chorus

Em A D G Em G D

Yearning and hurting, learning

Em A D G

Waiting for will it will take you taking all your time

Em A D G

Waiting for will it will take you taking all your time

Em G D

Yearning

Chorus

Em G D Em G D

Yearning, Yearning x2
