## Prime Time The Tubes

I don t know why no one ever did this song on this site. Surely the signature song from one of the great concept albums of all time (Remote Control). The Tubes Prime Time C Am Come fly with me, what are you waiting for Come fly with me, don t waste a minute more I ll give you my prime time, I m saving my prime time for you You get my prime time, saving my prime time for you Go anywhere, still you can call on me And I ll be there, just say the word and see I ll give you my prime time, I m saving my prime time for you, You get my prime time, I m saving my prime time for you Don t be shy, I would never hurt you Αm C I have had my eye on you for such a long, long time You know I m always here if you should need me Am If you want a dream come true, I m the one you should see Αm C I m waiting here, for no one else but you Come closer dear, that s all you have to do I ll give you my prime time, I m saving my prime time for you You get my prime time, I m saving my prime time for you Am

I ve waited here, for no one else but you C
