The Tuesdays - It s up to you
From: The Tuesdays (1998)

Intro: **C G C G** x 2

G C D
I know we never meant to fall
C D
The moment that my eyes met yours
Em
Our hearts went tumbling
C D
Before we knew what happened

D C D
And now that I am looking back
C D
You know I get the feeling that
Em
We started giving up
C D
Just to keep from giving in

B C
I still find hope in what little words we say
B D
And I m holding on in a big big way

Chorus:

D/A G C
So if you ever change your mind
Em A
I ll be waiting first in line
C D
You can hang your toothbrush next to mine
D G
It s up to you
C Em A7
It s up to you
C D
Your toothbrush next to mine
D G
It s up to you
C D
Every time I look at you

I don't know how to hold on to
The way I think and feel and breathe
When I'm around you

Oh, we've been down the roughest roads I know
we've gone so far, and come so close

Chorus

Sometimes I sit inside your chair
I try to see what you saw from there
Too much too soon
But I've got so much to share

I still find hope in what little words we say
And I'm holding on in a big big way

chorus x 2
