

You Baby
The Turtles

You Baby:The Turtles.

The album You Baby in 66

didn't make the top 100 charts. But if memory serves,
the single did.

#1.

From the time I fall asleep,
C **D** **G** **Bm** **C** **D**
til the morning comes...I dream about..you baby.

cause I know tonight Iâ€™ll be with..you baby.
Bm **Am**
And who makes me feel like smiling,
C **D**
when the weary day is through?

They say candy is sweet,
C **D** **G** **Bm** **C** **D**
but it just canâ€™t compete with..you baby.

C **D** **G** **Bm** **C** **D**
And nobody can please like you do, baby.
Bm **Am**
And who believes all my wildest dreams,
C **D**
and my craziest schemes will come true?

A little ray of sunshine..A little bit of soul.

A sixties smash from Kraziekhat.
