

You Baby
The Turtles

You Baby:The Turtles.

The album You Baby in 66

didn't make the top 100 charts. But if memory serves,
the single did.

cause I know tonight Iâ€™ll be with..you baby.
C#m **Bm**
And who makes me feel like smiling,

D **E** **A** **C#m** **D** **E**
but it just canâ€™t compete with..you baby.

Youâ€™ve got everything I need,
D **E** **A** **C#m** **D** **E**
And nobody can please like you do, baby.

A little ray of sunshine..A little bit of soul.
