Intro: **D5 A5 B5 G5** x2

Verse 1:

D5
I m a punk, get off my ass
A5
Because I m fucking working class
B5
Get up everyday, go to work
G5
I m treated like a fucking jerk
D5
Suck my money every week
A5
Now my future s lookin bleek
B5
They say the money s almost gone
G5
What will they do when my time comes?

Chorus:

D5
HEY!
A5
HEY!
B5
HEY!

G5

HEY!

Verse 2: play like the first

Blue collar job, you and I
Kiss your fuckin dough goodbye
Soon you ll be old and you ll be grey
And how will you earn your pay?
For over fourty years you broke your back
They gave your money to some bum on crack
They say we won t get it, but fuck it
The government s leeches are still money suckin

Chorus: play like before

HEY!

HEY!

HEY!

HEY!

Other part:

D5

A5

Did you hear what they want to do to you and me

B5

G5

They wanna take away our social security

Play the chorus

Sorry, I don t know the solo, but what else is new?

After the solo you play teh other part four times, then the intro,
then the first half of the first verse, and that should be it. Rate it. Later.
