

Alone

The Upbeats

Pattern stays the same throughout the entire song.
Enjoy!

Am---C#m-G#-D#---G---

Am C#m G# D# G
Morality is my crutch

Am C#m G# D# G
We feel with our eyes, but we don't touch

Am C#m G# D# G
With you I am alone

Am C#m G# D# G
With you I am alone

So many times my eyes don't blink.
And many times your touch makes me think,

With you I am alone
With you I am alone.

Suddenly, the rain is clouding your view.
Now everything that you knew is lost.

With you I am alone
With you I am alone.
With you I am alone
With you I am alone.
