

**All That Ive Got
The Used**

Okay, well I m at school right now so I don t have my guitar with me right at the moment, but here s the song with the right chords from what I remember. It s a great song!

[Intro] **G D C D Em D C**

[Verse 1]

G **Em** **C**
So deep that it didnâ€™t even bleed and catch me,
G
Off guard
Em **C**
Red handed; now Iâ€™m far from lonely
Em **G** **C**
Asleep I still see you lying next to me
G **Em** **C** **Em**
So deep that it didnâ€™t even bleed and catch me.

[Verse 2]

I need something else
would someone please just give me?
Hit me and knock me out
And let me go back to sleep
I can laugh all I want inside
I still am empty
So deep that it didnâ€™t even bleed and catch me.

[Chorus]

G **D** **C** **D** **Em**
Iâ€™ll be just fine pretending Iâ€™m not
D **C**
Iâ€™m far from lonely
D **G**
And itâ€™s all that Iâ€™ve got
D **C** **D** **Em**
Iâ€™ll be just fine pretending Iâ€™m not
D **C**

Iâ€™m far from lonely

D

G

And itâ€™s all that Iâ€™ve got
(All that Iâ€™ve got)
