[Verse]

Dm **Bb**
And it's all in how you mix the two
Dm **Bb**
And it starts just where the light exists
Dm **Bb**
It's a feeling that you cannot miss
Dm
And it burns a hole
Bb
Through everyone that feels it

[Chorus]

C
Well you're never gonna find it
C
If you're looking for it
Bb
Won't come your way yeah
C
Well you'll never find it
Bb
If you're looking for it

Bb
Should've done something
C
But I've done it enough
Dm
By the way your hands were shaking
C **Dm**
Rather waste some time with you
