

# Find A Way The Used

B F# E  
Lay your head down just for now

B F# E Em  
Space fills your mind and you dream awhile

B F# E  
The sun floods your room as you drown your  
F#  
Lungs full of breathing

E Em  
Your true love believe

**B** **F#** **Abm**  
One more time to say I love you always  
**E** **B**  
and keeping faith letting love find a way

**B** **F#** **E**  
Move let the stars suck you in  
**B** **F#** **E** **Em**  
Hold tight, the night s air and breathe again  
**B** **F#** **E**  
Let go and be burnt by the moon  
**F#** **E**  
Your hands full of feeling your true love,  
**Em**  
Believe

**B** **F#** **Abm**  
 One more time to say I love you always  
**E** **B**  
 and keeping faith letting love find a way  
**B** **F#** **Abm**  
 One more time to say I love you always  
**E** **B**  
 and keeping faith letting love find a way

Abm E  
I love you to death

Abm E  
Could you love me to death

Abm E  
I love you to death

Abm  
Could you love me,

E

Could you love me

**B**                      **F#**                      **Abm**  
One more time to say I love you always  
                 **E**                                      **B**  
and keeping faith letting love find a way  
**B**                      **F#**                      **Abm**  
One more time to say I love you always  
                 **E**                                      **B**  
and keeping faith letting love find a way  
                                 **F#**  
Letting love find a way  
                                 **Abm**  
Letting love find a way  
                 Em (Strum once)  
Letting love...
