

I Caught Fire In Your Eyes
The Used

Artist: The used

Song: I caught fire

[Verse 1]

Bm **D**
Seemed to stop my breath
My head on your chest
A **G**
Waiting to cave in
From the bottom of my
Bm **D**
Hear your voice again
Could we dim the sun
A **G**
And wonder where we've been
Maybe you and me
Bm **D**
So kiss me like you did
My heart stopped beating
A
Such a softer sin

[Chorus]

A
I'm melting, I'm melting
D
In your eyes
A
I lost my place
G **A**
Could stay a while
And I'm melting
D
In your eyes
A
Like my first time

Just stay with me
A
Lay with me

Now
