

Sun Comes Up
The Used

The Used
Sun Comes Up
Standard Tuning
Intro: **C**

C
And it all falls down at once
Am
And I try to get some sleep
F
And the comforts of this bed

Have all been shattered to pieces
C
I have a knack for feeling lost
Am
All those times I couldn't eat
F
Like I couldn't yell enough
C **G** (hold)
But getting tired of screaming

C **Am**
The sun comes up
F **C** **G**
And now you have a chance again
C **Am**
The world falls down
F **C** **G**
We all forget where to begin
Em **Am**
The world collapses
Em **G**
You hold it in..

[C]

C
Maybe I have said too much
Am
Or really haven't said enough
F
All these words they come undone

I'm getting lost in the meaning
C
And all the coldness in my thoughts

Of being frozen all alone **Am**
In a world that we destroy **F**
And try to pick up the pieces **C G (hold)**

The sun comes up **C Am**
And now you have a chance again **F C G**

The world falls down **C Am**
We all forget where to begin **F C G**

The world collapses **Em Am**
You hold it in.. **Em G**

The sun comes up **C Am**
And now you have a chance again **F C G**

[**G, Em, F**]_{x2}

All you ve lost... **G Em F**
Leave your self you drift away in your eyes **G Em F**

Open up as you catch me **G Em**
Caught before I hit the ground **F**

I m dying for you only **G Em**
My feeling is forever happens **F**

All at once **Am C**
All at once **Am F C**

The sun comes up
And now you have a chance again

The world falls down **C Am**
We all forget where to begin **F C G**
The world collapses **Em Am**

Em **G**
You hold it in..

Em **Am**
The world collapses

Em **G**
You hold it in..

C **Am**
The sun comes up

F **C** **G**
And now you have a chance again

(End on **C**)
