In this sea of lonely

The taste of ink is getting old

It s four o clock in the fucking morning

Each day gets more and more like the last day

Still I can see it coming

While I m standing in the river drowning

This could be my chance to break out

This could be my chance to say goodbye

At last it s finally over

Couldn t take this town much longer

Half dead wasn t what I planned to be

C

Now I m ready to be free

[Verse]

Won't you think I'm pretty
When I'm standing top the bright lit city
And I'll take your hand and pick you up
And keep you there to so you can see
So long as you're alive and care
I promise I will take you there
We'll drink and dance the night away
We'll drink and dance the night away tonight.
