V-TOWN HAVE-NOTS
UNNATURAL SELECTION

Dm Bb F C
Dm Bb G A

Dm
Survival of the fittest
Bb
This is nature s way
C
The strongest win, The weakest lose
F C F E A
The right to prevail

Dm
But how does this apply
Bb
To our world today?
C F
Is it intelligence that chooses if
C F E A
We win or fail?

Dm
What really separates us
Bb
From what has gone before?
C F
Are we the same as those
C F E A
Neandertholic once lived?

Dm
Do we still judge each other
Bb
By who can be the best?
C F C F E A
Or have we learned anything yet?

Dm Bb F C
