

**A Lack Of Understanding  
The Vaccines**

(Think I m right about the Dm  
in the chorus, but F sounded good as well)  
Capo on the 6th fret

[Intro]  
**C Am C Am**

[Verse]

**C**  
It s only been a year  
**Am**  
But it feels like a lifetime here  
**C**  
How s it been for you?  
**Am**  
Does it feel like a lifetime too?  
**C**  
What would you do now in light of it all?  
**Am**  
I don t regret it in spite of it all  
**Dm** **G**  
If I can t convince you then nobody can I guess

[Chorus]

**C** **Am**  
I ve got too much time on my hands  
**Dm**  
But you don t understand  
**G**  
Or you won t understand

[Verse]

**C**  
Would I make it right?  
**Am**  
Would it make you less uptight?  
**C**  
What would it achieve?  
**Am**  
What should I put up my sleeve?  
**C**  
What did you think would come out of it all?  
**Am**  
That we d quit pretending we doubted it all?  
**Dm** **G**  
Oh you don t make me nervous, hell nobody does these days

[Chorus]

**C** **Am**  
I ve got too much time on my hands  
**Dm**  
But you don t understand  
**G**  
Or you won t understand  
**C** **Am**  
I ve got too much time on my hands  
**Dm**  
But you don t understand  
**G**  
Or you won t understand

[Verse]

**F** **C**  
Are you ready, are you ready, are you ready for this?  
**F** **C**  
Should I shake your hand or should I give you a kiss?  
**F** **C**  
Is this everything you always hoped it would be?  
**G**  
We ll see...

[Chorus]

**C** **Am**  
I ve got too much time on my hands  
**Dm**  
But you don t understand  
**G**  
Or you won t understand  
**C** **Am**  
I ve got too much time on my hands  
**Dm**  
But you don t understand  
**G**  
Or you won t understand
