**A** **E**  
You have been struggling to see actuality  
**F#m** **F** **E**  
Actually, it doesn't surprise me  
**A** **E** **F#m**  
And you wearing wof frozen to the core  
**F** **E**  
I m not wearing anything awful

**D7m** **E**  
But you are pulling the wool over, wouldn't you rather know  
**D7m** **E**  
That I am overindulging you, it's so easy though

**A** **F#m**  
You're coming up for air  
**D**  
Happier down there  
**F** **E**  
In your aftershave ocean  
**A** **F#m**  
Lies, difficult to face  
**D**  
Floating out in space  
**F** **E**  
In your aftershave ocean
