

**Do U Wanna Man
The Vaccines**

C#m A E G#

if i go out on a limb

and if i wait a little longer

if i held you to your word, then where would i be

if i looked a little closer what would i see

I m just asking cause i wanted to know

when you go when you go when you go when you go when it goes

do you wanna man do you wanna man i could be your man

do you wanna man do you wanna man i could be your ma ha ha ha ha haaan

if you kept me in the dark

keep me waiting on an answer

and if i look like i am crazy then youâ€™ll know for who

i just go around in circles that revolve around you

I m just saying cause i wanted to know

when you go when you go when you go when you go when it goes â€™fore it goes

do you wanna man do you wanna man i could be your man

do you wanna man do you wanna man i could be your man

do you wanna man do you wanna man i could be your ma ha ha ha haaan
