intro

**E      A      C#m      G#**

**E      A      C#m      G#**

If I go out on a limb

**E      A      C#m      G#**

And if I wait a little longer

**E      A      C#m**

If I held you to your word

**G#                E**

Then where would I be?

**E      A      C#m**

If I looked a little closer,

**G#                E**

What would I see?

**E      A      C#m      G#**

I m just asking cause I wanted to know

**E      A      C#m      G#**

Where you re going, going, going, go-oh-oh, go

**E                A**

Do you want a man?

**C#m**

Do you want a man?

**G#**

I could be your man

Chorus[x3]

Do you want a man?

Do you want a man?

I could be your man

If you keep me in the dark  
Keep me waiting on an exit  
And if I look like I am crazy  
Then you'll know for who

I'll just go around in circles  
And revolve around you  
I'm just saying cause I wanted to know  
Where you're going, going, going, go-oh-oh, go

Chorus[x4]

Do you want a man?  
Do you want a man?  
I could be your man

**A\***                    **E**  
Well it's time to let me know  
**E**                    **F#**  
Cause I asked you a while ago  
                  **A\***  
Do you want a man?  
                  **Am**  
Do you want a man?

**E**                    **A**  
How could I keep it on the low?  
**C#m**    **G#**  
We're taking it slow  
**E**                    **A**  
And if you never had a go  
**C#m**    **G#**  
Then how did you know?

Chorus[x2]
