

Everybodys Gonna Let You Down Acoustic
The Vaccines

Played half a step down, watch this for reference:

Due to it being half a step down, all the barre chords you play are one fret up, i.e. E is on the first fret instead of open. I'm also highly aware you can play it in standard, but I always like to play it exactly how the band does.

Verse:

C#m F# B E

Someday,

C#m F# B E

In some way,

C#m F# B E

Everybodys gonna let you down

C#m F# B E

Everybodys gonna let you down

C#m F# B E

I knew,

C#m F# B E

That you would

C#m F# B E

Cause everybodys gonna let you down

C#m F# B E

Everybodys gonna let you down

C#m F#

No,

B E

we no need,

A E F#

I'll only let you down

Chorus:

A E

I gotta warn ya

C#m G# A
