

No Hope
The Vaccines

[Intro]
(Strum C)

[Verse]

C
Well I could bore you with the truth,
About an uneventful youth,
F **G** **C**
Or you could get that wrap from someone else,
C
And I could make an observation,
If you want the voice of a generation,
F **G** **C**
But Iâ€™m too self-absorbed to give it clout.
F **C**
and I donâ€™t really care about,
F **C**
Anybody else when I haven t got my own life figured out,
G
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
C
Thereâ€™s no hope
F **Em** **Dm**
And itâ€™s hard to come of age,
G **C**
I think itâ€™s a problem,
F **Em** **Dm**
Does it ever go away?
G **C** **F** **Em** **Dm** **G**
I know, I am so self-obsessed I guess,
C
But thereâ€™s no hope
F **Em** **Dm** **G** **C**
And I hope itâ€™s just a phase, I ll outgrow.

[Verse]

C
I could look for inspiration,
Find it in the charm of an English nation,
F **G** **C**
But wouldnâ€™t that be cheap and ill informed.
C
And I could bet you donâ€™t believe me,
If I said it came from deep within me,
F **G** **C**
But I promise you, Iâ€™m telling you the truth,

[Verse]

F **C**
and I donâ€™t really care about,
F **C**
Anybody else when I haven t got my own life figured out,
G
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
C
Thereâ€™s no hope
F **Em** **Dm**
And itâ€™s hard to come of age,
G **C**
I think itâ€™s a problem,
F **Em** **Dm**
Does it ever go away?
G **C** **F** **Em** **Dm** **G**
I know, I am so self-obsessed I guess,
C
But thereâ€™s no hope
F **Em** **Dm** **G**
And I hope itâ€™s just a phase, I ll outgrow.
C
I wish I was comfortable in my own skin,
But the whole thing feels like an exercise in,
F
Trying to be someone I would rather not be,
I try to second guess if you would be approving,
C
I find my life ever so moving,
G
Came wide eyed an unassuming, oh.
(okay)

[Bridge]

C
There is no hope,
And there s desperately,
C
(No hope)
And there s definitely,
F
(No hope)
If you don t believe me.
G
Ohhhhh
(x2)
