

No Hope
The Vaccines

[Intro]
(Strum C)

[Verse]

B
Well I could bore you with the truth,
About an uneventful youth,
E **F#** **B**
Or you could get that wrap from someone else,
B
And I could make an observation,
If you want the voice of a generation,
E **F#** **B**
But Iâ€™m too self-absorbed to give it clout.
E **B**
and I donâ€™t really care about,
E **B**
Anybody else when I haven t got my own life figured out,
F#
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
B
Thereâ€™s no hope
E **Ebm** **C#m**
And itâ€™s hard to come of age,
F# **B**
I think itâ€™s a problem,
E **Ebm** **C#m**
Does it ever go away?
F# **B** **E** **Ebm** **C#m** **F#**
I know, I am so self-obsessed I guess,
B
But thereâ€™s no hope
E **Ebm** **C#m** **F#** **B**
And I hope itâ€™s just a phase, I ll outgrow.

[Verse]

B
I could look for inspiration,
Find it in the charm of an English nation,
E **F#** **B**
But wouldnâ€™t that be cheap and ill informed.
B
And I could bet you donâ€™t believe me,
If I said it came from deep within me,
E **F#** **B**
But I promise you, Iâ€™m telling you the truth,

[Verse]

E **B**
and I donâ€™t really care about,
E **B**
Anybody else when I haven t got my own life figured out,
F#
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
B
Thereâ€™s no hope
E **Ebm** **C#m**
And itâ€™s hard to come of age,
F# **B**
I think itâ€™s a problem,
E **Ebm** **C#m**
Does it ever go away?
F# **B** **E** **Ebm** **C#m** **F#**
I know, I am so self-obsessed I guess,
B
But thereâ€™s no hope
E **Ebm** **C#m** **F#**
And I hope itâ€™s just a phase, I ll outgrow.
B
I wish I was comfortable in my own skin,
But the whole thing feels like an exercise in,
E
Trying to be someone I would rather not be,
I try to second guess if you would be approving,
B
I find my life ever so moving,
F#
Came wide eyed an unassuming, oh.
(okay)

[Bridge]

B
There is no hope,
And there s desperately,
B
(No hope)
And there s definitely,
E
(No hope)
If you don t believe me.
F#
Ohhhhh
(x2)
