

No Hope
The Vaccines

[Intro]
(Strum C)

[Verse]

D
Well I could bore you with the truth,
About an uneventful youth,
G **A** **D**
Or you could get that wrap from someone else,
D
And I could make an observation,
If you want the voice of a generation,
G **A** **D**
But Iâ€™m too self-absorbed to give it clout.
G **D**
and I donâ€™t really care about,
G **D**
Anybody else when I haven t got my own life figured out,
A
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
D
Thereâ€™s no hope
G **F#m** **Em**
And itâ€™s hard to come of age,
A **D**
I think itâ€™s a problem,
G **F#m** **Em**
Does it ever go away?
A **D** **G** **F#m** **Em** **A**
I know, I am so self-obsessed I guess,
D
But thereâ€™s no hope
G **F#m** **Em** **A** **D**
And I hope itâ€™s just a phase, I ll outgrow.

[Verse]

D
I could look for inspiration,
Find it in the charm of an English nation,
G **A** **D**
But wouldnâ€™t that be cheap and ill informed.
D
And I could bet you donâ€™t believe me,
If I said it came from deep within me,
G **A** **D**
But I promise you, Iâ€™m telling you the truth,

[Verse]

G **D**
and I donâ€™t really care about,
G **D**
Anybody else when I haven t got my own life figured out,
A
cause when youâ€™re young and bored and 24 and donâ€™t know who you are no more,
D
Thereâ€™s no hope
G **F#m** **Em**
And itâ€™s hard to come of age,
A **D**
I think itâ€™s a problem,
G **F#m** **Em**
Does it ever go away?
A **D** **G** **F#m** **Em** **A**
I know, I am so self-obsessed I guess,
D
But thereâ€™s no hope
G **F#m** **Em** **A**
And I hope itâ€™s just a phase, I ll outgrow.
D
I wish I was comfortable in my own skin,
But the whole thing feels like an exercise in,
G
Trying to be someone I would rather not be,
I try to second guess if you would be approving,
D
I find my life ever so moving,
A
Came wide eyed an unassuming, oh.
(okay)

[Bridge]

D
There is no hope,
And there s desperately,
D
(No hope)
And there s definitely,
G
(No hope)
If you don t believe me.
A
Ohhhhh
(x2)
