

Norgaard
The Vaccines

This is just a version that I worked out of Norgaard, after realising that I could play the Bar chord version as quickly as I would have liked.

For the non Bar chord version, use a Capo on the fourth fret.

Intro; **D, G, A**

D

Great Dane s cheekbones

G **A**

Teenage hormones

D

Young complexion

G **A**

Non-physical affection

D

You re a god send

G **A**

Do you want a boyfriend?

D **G** **A**

Crazy crazy, easy tiger

This Chord progression continues through the verses and Chorus.
