

**Wolf Pack**  
**The Vaccines**

Standard tuning, Capo on 3.

Intro

**D D G A** (x2)

**D**

You ve seen the world

**G A**

What did it look like?

**D**

You took a plane

**G A**

I ll take a push bike

**D**

Run with the wolves

**G A**

Calling all the wolf pack

**D G A**

When did you go and when did you get back?

**D G A**

I--- don t even know you

**D G A**

You re just someone new I don t want to talk to

**D G A D**

You re wild, I don t find you crazy at all

**D**

You re on the rocks

**G A**

Would you like to get some?

**D**

I m kind of straight

**G A**

Where do you come from?

**D G A**

I m always right but what s your perception?

**D**

I m kind of shy

**G A**

Oh, didn t he mention?

**D       G               A**

I--- don t even know you

**D                               G                               A**

You re just someone new I don t want to talk to

**D               G                       A               D**

You re wild, I don t find you crazy at all

Instrumental:

**D D G A (x8)**

**D       G               A**

I--- don t even know you

**D                               G                               A**

You re just someone new I don t want to talk to

**D               G                       A               D**

You re wild, I don t find you crazy at all

**D       G               A**

I--- don t even know you

**D                               G                               A**

You re just someone new I don t want to talk to

**D               G                       A               D       G A D**

You re wild, I don t find you crazy at all
