All Night
The Vamps

Intro:

```
                  G                    Bm                   D           G
I been up all night, no sleep cause i feel like i m always dreaming
G                    Bm                  D          G
All night, no sleep cause i feel like i m always dreaming
```

Instrumental: **G Bm D G**

Bridge:
```
G Bm              D              G
        cause i feel like i m always dreaming
```

Verse 1:
```
G                            Bm                          D  G
Sometimes i tend to lose myself when i m out here on my own
G                    Bm                     D          G
I never seem to get it right, but i guess that s how it goes
G                    Bm                D            G
Ever since you came around, can t nobody hold me down
G                            Bm                      D  G
You showed me how to find myself when i needed it the most
```

Chorus:
```
                  G                    Bm                   D           G
I been up all night, no sleep cause i feel like i m always dreaming
G                    Bm                  D          G
All night, no sleep cause i feel like i m always dreaming
G          Bm              D                   G
Wide awake, that s okay, as long as i m with you
                  G                    Bm                   D           G
I ll be up all night, no sleep  cause i feel like i m always dreaming
```

Instrumental: **G Bm D G**

Bridge:
```
G Bm              D              G
        cause i feel like i m always dreaming
```

Verse 2:

```
G                        Bm                    D                      G
I m never gonna find my way if i don t run to that goal
G                            Bm                                     D  G
The past is the past, today is today and there s things i can t control
        G              Bm                  D                       G
The circles underneath my eyes tell the truth that i ve been trying to hide
```

```
G                          Bm                                    D G
I ve been waiting for you way too long won t you come and take me home

Bridge:
      G Bm        D                        G
Oh i,         i m praying this ain t all a dream
         G     Bm    D                 G
Can you, you, wake me up before you leave

Chorus:
               G                  Bm              D            G
I been up all night, no sleep cause i feel like i m always dreaming
G                   Bm              D         G
All night, no sleep cause i feel like i m always dreaming
G         Bm                   D              G
Wide awake, that s okay, as long as i m with you
               G                  Bm              D            G
I ll be up all night, no sleep  cause i feel like i m always dreaming

Outro:  G Bm  D G

G Bm                   D                G
       cause i feel like i m always dreaming
```
