

Burn
The Vamps

Eb **Bb**
I need big dreams in city streets and bright lights
Gm **F**
Cause this seems to make me feel alright
Eb
And I want this one and I can take
Bb **Gm** **F**
And I can feel myself from the brick about to break

Eb **F**
And I be lost and alone
Gm **Eb**
And I m scared to find my own
F **Gm** **F** **Eb**
I need hope or control but something s pulling me in

Bb
It needs to hurt so we could work
Gm
And I need fire, so I can burn
F
And I need love, so I can learn
Eb **Bb**
I m just a boy with the world
Gm
At my feet to find a girl
F **Eb**
Telling me to not get hurt, telling me but I won t learn
Bb
Cause I want you and nothing can stop this
Gm **F**
So let s sit and watch this burn
Eb **Bb**
And as it ends up in ashes, we sit and laugh, yeah
Gm **F**
We sit and watch this burn

Eb **Bb**
I need your heart in both hand in my plans
Gm **F**
Are to make you feel alright
Eb
But you want it all in good time
Bb **Gm** **F**
And I get it that you ve been hurt before, no

Eb F
 And I be lost and alone
Gm Eb

Parada

*(**Eb Bb Gm F**)*
 When the world gets quiet, I ll scream your name

 When your lungs get tired, the air will breath the same

 Don t forget me, let me ease your pain

 And every heart in breaking, don t let it slip away

Eb Bb
 It needs to hurt so we could work
Gm
 And I need fire, so I can burn
F
 And I need love, so I can learn
Eb Bb
 I m just a boy with the world
