

Can We Dance
The Vamps

F#
I talk a lot of shit,
G#
When I'm drinkin baby,
Fm **Bbm**
I normally go a little too fast,
F#
Don't mind all my friends,
G#
I know they're all crazy,
Fm **Bbm**
But they're the only friends that i have,
F# **G#**
I know I don't know you but I'd like to,
Fm **Bbm**
Skip the small talk and romance girl,
F#
That's all i have to say so,
G# **C#**
Baby Can We Dance?

F#
Here we go again,
G#
Another drink I'm caving in,
Fm **Bbm**
Stupid words keep falling from my mouth,
F#
You know that I mean well,
G#
My hands were meant for some where else,
Fm **Bbm**
Your eyes were doing naughty butterflies.

F#
Oh, oh,
G#
One more drink and I should go,
Fm
Oh, oh,
Bbm
But maybe she might like it though,
F#
Oh, oh,
G#
I just can't think of what to say,
Fm

Should I go, should I stay,

Bbm

I just can't let her slip away.
