

Can We Dance
The Vamps

Eb
I talk a lot of shit,
F
When I'm drinkin baby,
Dm **Gm**
I normally go a little too fast,
Eb
Don't mind all my friends,
F
I know they're all crazy,
Dm **Gm**
But they're the only friends that i have,
Eb **F**
I know I don't know you but I'd like to,
Dm **Gm**
Skip the small talk and romance girl,
Eb
That's all i have to say so,
F **Bb**
Baby Can We Dance?

Eb
Here we go again,
F
Another drink I'm caving in,
Dm **Gm**
Stupid words keep falling from my mouth,
Eb
You know that I mean well,
F
My hands were meant for some where else,
Dm **Gm**
Your eyes were doing naughty butterflies.

Eb
Oh, oh,
F
One more drink and I should go,
Dm
Oh, oh,
Gm
But maybe she might like it though,
Eb
Oh, oh,
F
I just can't think of what to say,
Dm

Should I go, should I stay,

Gm

I just can't let her slip away.
