

Can We Dance
The Vamps

G
I talk a lot of shit,
A
When I'm drinkin baby,
F#m **Bm**
I normally go a little too fast,
G
Don't mind all my friends,
A
I know they're all crazy,
F#m **Bm**
But they're the only friends that i have,
G **A**
I know I don't know you but I'd like to,
F#m **Bm**
Skip the small talk and romance girl,
G
That's all i have to say so,
A **D**
Baby Can We Dance?

G
Here we go again,
A
Another drink I'm caving in,
F#m **Bm**
Stupid words keep falling from my mouth,
G
You know that I mean well,
A
My hands were meant for some where else,
F#m **Bm**
Your eyes were doing naughty butterflies.

G
Oh, oh,
A
One more drink and I should go,
F#m
Oh, oh,
Bm
But maybe she might like it though,
G
Oh, oh,
A
I just can't think of what to say,
F#m

Should I go, should I stay,

Bm

I just can't let her slip away.
