C                                     C
Can we talk about your boyfriend? He s a dead end ha

          F                                     F
And if I gotta tell you why, it s only gonna make you cry

C                                     C
Let s talk about your boyfriend for a minute

          F                                     F
He s got a secret and he s telling you lies, oh what a lovely guy

Am                                     C                                     F
I just thought you should know what he is capable of

C                                     C
Let me tell you bout your boyfriend, yeah he s got another girlfriend

          F                                     F
Baby I just gotta let you know, you really gotta let him go

C                                     C
Let me tell you bout your boyfriend, yeah he s got another girlfriend

          F                                     F
And I can hear em through the bedroom wall, you know she ain t no friend at all

C                                     C
Cause everybody knows it and everybody knew before

          F                                     F
But no one ever told you girl, well baby that s what I m here for

C                                     C
His dirty little secrets are banging on his bedroom floor

          F                                     F
Oh he s a fricking cheater yeah, I don t know what you do it for

Am                                     C                                     F
I just thought you should know what he is capable of

C                                     C
Let me tell you bout your boyfriend, yeah he s got another girlfriend

          F                                     F
Baby I just gotta let you know, you really gotta let him go

C                                     C
Let me tell you bout your boyfriend, yeah he s got another girlfriend
