

Coming Home
The Vamps

[Intro] G# G#sus4/E G#/E G#sus2/E

Of course I get lonely, I guess I ain't old me
I'm sick and I'm tired of getting used up and tossed to the side
I hate this hotel room, for walls that stop me from getting you
I'm hoping that some day, we can runaway for a little

But I promise I'll be back soon
And a voice through a phone ain't the same it's true
Give me time, and I'll give you every drop of mine

Keep the car running, and keep those sheets warm
Cause baby there's nothing, that I want more
To hold you right beside me, the way I always do
But I gotta tell you something, I miss you but
You never know when I'm coming home

I know it's been six weeks, but how could I ever forget your old face
And I find it so cute when you think there's ever been anyone but you
I know I said I promise I'll be back soon
Just come move my way so we can get through
But give me time, and I'll give you every drop of mine

Keep the car running, and keep those sheets warm
Cause baby there's nothing, that I want more
To hold you right beside me, the way I always do
But I gotta tell you something, I miss you but
You never know when I'm coming home
When I'm coming home, when I'm coming home, when I'm coming home

Tomorrow feels like a lifetime away, so why don't you stay right here

Cause my arms were made for you tonight
