

Dangerous
The Vamps

C#

So wake me up,

C#

Cause Ive been asleep now, for days

Bbm

How do I get up?

F#

Oh, oh, oh.

C#

Oh, oh, oh.

C#

And way back when,

C#

We used to fall hard, in love

Bbm

How to mess it up?

F#

Oh, oh, oh.

C#

Oh, oh, oh.

Bbm

This aint the end of us,

Bbm

Darling let me show you,

G#

I am good enough,

F#

Maybe in the end I shouldve toughened up Not self-destruct,

F#m

But Ill see her again,

C#

Met a girl and she is dangerous,

G#

Hope I knew her, but I just cant get

Bbm

enough Im struck

F# **G#**

Shes gonna tear me up.

C#

A million voices telling me to never give you up.

G#

Shouldnt listen, Im addicted to this

Bbm

darker love.

F# G#
And this is dangerous, for me.

C#
I must confess,
C#
Im feeling guilty.

Bbm
My conscience is heavy,
Im a wreck.

F#
Oh, oh, oh.

C#
Oh, oh, oh.

Bbm
This aint the end of us,

Bbm
Darling let me show you,

Always go back.
Back to her.
