Dangerous
The Vamps

```
B
So wake me up,
B
Cause Ive been asleep now, for days
        G#m
How do I get up?
          E
Oh, oh, oh.
          B
Oh, oh, oh.

B
And way back when,
B
We used to fall hard, in love
        G#m
How to mess it up?
          E
Oh, oh, oh.
          B
Oh, oh, oh.

              G#m
This aint the end of us,
                G#m
Darling let me show you,
      F#
I am good enough,
                            E
Maybe in the end I shouldve toughened up Not self-destruct,
      Em
But Ill see her again,

B
Met a girl and she is dangerous,
F#
Hope I knew her, but I just cant get
G#m
enough Im struck
E          F#
Shes gonna tear me up.
B
A million voices telling me to never give you up.
F#
Shouldnt listen, Im addicted to this
G#m
darker love.
```

```
E                                F#
And this is dangerous, for me.

B
I must confess,
B
Im feeling guilty.
            G#m
My conscience is heavy,
Im a wreck.
          E
Oh, oh, oh.
          B
Oh, oh, oh.
                  G#m
This aint the end of us,
                  G#m
Darling let me show you,
      F#
I am good enough,
                                    E

E                                F#
And this is dangerous, for me.

Even though I said Im sorry,
I still go back.
Always go back.
Back to her.

                  G#m
This aint the end of us,
                  G#m
Darling let me show you,
