

Fall
The Vamps

C
Didn't know you were ready, ready for it all
F **Am**
Never said that you'd get me, you never let me know
F
If I knew then what I know

C
Now you see that you're ready, now you wanna go
F
But darling, please don't tempt me
Am
I've gotta take control
F **C**
Turn the lights way down low

Am
Can't take my eyes off
F **C** **G**
Can't take my hands off you

Am **G**
For the first time
C
Just fall

F
Our hearts are racing
C
Fall

F **Am**
Why did we wait so long?

We just fall
F **C**
Hold on, hold on, hold on

F **C**
The night we met under starlight, after the storm
F
And knew that we would be alright
Am
Your skin feels soft and warm
F **C**
Now let's go round one more time

Am
Can't take my eyes off

F C G
Can t take my hands off you

Am G
For the first time

C
Just fall

F
Our hearts are racing

C
Fall

F Am
Why did we wait so long?

We just fall

F C
Hold on, hold on, hold on

F C
You say you re ready, ready to go

F Am
I say I m ready, why don t we just fall?

F C
You say you re ready, ready to go

F Am
I say I m ready, why don t we just fall?

Am G
For the first time

C
Just fall

F
Our hearts are racing

C
Fall

F Am
Why did we wait so long?

We just fall

F C
Hold on, hold on, hold on

C
Just fall

F
Our hearts are racing

C
Fall

F Am
Why did we wait so long?

We just fall

F C

Hold on, hold on, hold on

C

Hold on, hold on, hold on

G **C**

Hold on, hold on
