I ve been fooled too many times,

F#

Always hearing little black and white lies,

Bbm C# G#

I ve had enough, and off the line,

F#

I told myself that I would get it right this time.

Bbm C#

Then you walk in through the door,

G#

I couldn t want you more,

F#

When you let your hair down, hair down.

Bbm C#

So tell me what to say,

G#

I wanna play your game,

F#

Hear me calling Hey now.

Bbm C# G#

The way you move it got me losing it,

F#

Don t you know that you are golden, golden,

Bbm C# G#

No matter where we go, you keep me on my toes,

F#

Don t you know that you are golden, golden.

(**Bbm C# G# F#**)

Bbm C# G#

I m so hung up, just chasing tracks,

F#

Can t disconnect my heart and there s no turning back,

Bbm C# G#

You re close enough, close enough to touch,

F#

And yes you re out my sight but I m not giving up.

Bbm C#

You had me from day one,

G#

Pull the trigger now I m done,

F#

Got my heart on lock down, lock down,

Bbm C#

G#

I tried to work you out,

F#

How I can move your way now

Bbm C# G#

Bbm C#

Keep doing what you do,

G#

Cause I m a fool for you,

F#

Don t you know that you are golden, golden

Bbm C# G#

I don t know what you re running from,

F#

Where you re heading to, no, oh,

Bbm C# G#

I don t know what you re running from,

F#

Where you re heading to, no, oh.

Bbm C# G#

The way you move it got me losing it,

F#

Don t you know that you are golden, golden,

Bbm C# G#

No matter where we go, you keep me on my toes,

F#

Don t you know that you are golden, golden.
