Intro: Bm D A G

Bm D A
I ve been fooled too many times,
G
Always hearing little black and white lies,
Bm D A
I ve had enough, and off the line,
G
I told myself that I would get it right this time.

Bm D
Then you walk in through the door,
A
I couldn t want you more,
G
When you let your hair down, hair down.
Bm D
So tell me what to say,
A
I wanna play your game,
G
Hear me calling Hey now.

Bm D A
The way you move it got me losing it,
G
Don t you know that you are golden, golden,
Bm D A
No matter where we go, you keep me on my toes,
G
Don t you know that you are golden, golden.
