here with me sleeping you should be
Held by me
We re separating for the night
And I keep looking over at the time
Dreaming myself to sleep
Pretending you re next to me
Yeah baby, there s a place for us
When nothing could ever amount to
Dreaming myself to sleep
Pretending you re next to me, yeah
Oooh, Oooh
(C# G# Bbm F#)

We re separating for the night
And I keep looking over at the time
Dreaming myself to sleep
Pretending you re next to me
Yeah baby, there s a place for us
When nothing could ever amount to
Dreaming myself to sleep
Pretending you re next to me
