```
  Bbm                       C#
let s go move into my apartment (one day)
F#                          C#
One look at her my heart was stopping (heartbreak)
Bbm                   C#
I did whatever she was asking
          F#                 C#
She said   maybe later catch you in the elevator

Bbm                    C#
B couple days we got to hanging (real close)
F#                       C#
Since now she wasn t even taken (no no)
Bbm                      C#              F#            C#
I made a move she said  baby you re mistaken, I m not into bacon

Bbm          C#              F#         C#
She got that smile and that body is to die for
Bbm      C#                F#              C#
One of a kind and that s why it makes me cry

     Bbm        C#
Cause I found a girl
         F#          C#
Who s in love with a girl
    Bbm          C#
She said that she tried
          F#         C#
But she s not into guys
    Bbm           C#
Oh, why? Tell me why
     F#               C#
Did I fall for those eyes?
   Bbm         C#
She said I was nice
         F#         C#
But she s not into guys

I found a girl
```

```
Bbm                           C#
I should ve known to walk away then
            F#
I should ve left that alone
              C#                            Bbm
But why d you call me on the phone we ll be hanging again
          C#
Under the premise of friends
            F#                              C#
But now she only talks to me about some other woman she says

Bbm           C#              F#          C#
She got that smile and that body is to die for
Bbm      C#                  F#              C#
One of a kind and that s why it makes me cry

      Bbm         C#
Cause I found a girl
        F#            C#
Who s in love with a girl
    Bbm            C#
She said that she tried
         F#          C#
But she s not into guys
    Bbm           C#
Oh, why? Tell me why
      F#                C#
Did I fall for those eyes?
    Bbm          C#
She said I was nice
        F#         C#
But she s not into guys

I found a girl
Bbm           C#             F#            C#
Oh, oh oh oh, Oh, oh oh oh, Oh, oh oh oh, oh (I found a girl)
Bbm           C#             F#            C#
Oh, oh oh oh, Oh, oh oh oh, Oh, oh oh oh, oh

Bbm      C#              F#              C#
I can t believe I met somebody like you
        F#               C#
And now I feel like I m fooled
```

```
        F#          C#
And that to me is so cruel
Bbm     C#                    F#              C#
I can t believe it I just think like a man
               F#          C#
That you just wanted me bad
               F#          C#
But you had different plans

        Bbm         C#
Cause I found a girl
          F#            C#
Who s in love with a girl
     Bbm            C#
She said that she tried
          F#          C#
But she s not into guys
     Bbm            C#
Oh, why? Tell me why
        F#                C#
Did I fall for those eyes?
     Bbm          C#
She said I was nice
          F#          C#
But she s not into guys

I found a girl

        Bbm         C#
Cause I found a girl
          F#            C#
Who s in love with a girl
     Bbm            C#
She said that she tried
          F#          C#
But she s not into guys
     Bbm            C#

        F#                C#
