

Kiss
The Vamps

G **D** **Em**
Oh no, I can taste your poison

C
Lingering just where you left it

G **D** **Em**
And oh no, just want you in my sheets

C
And I don't care quite how I get it

G
Even if you're drunk, darling

D **Em** **C**
Baby, I don't mind long as I'm on your conscience

G **D** **Em** **C**
Oh no, now I can't taste your poison, and I miss it

G **D**
Sweet like sugar on my lips

Em **C**
So addictive, just one hit

G **D**
Sweet like sugar on my lips

Em
Can you call me back again?

C **G** **D**
Cause I need your kiss

Em
Can you call me back again?

C
Cause I need your kiss

G **D** **Em**
Oh no, try my best to not catch feelings

C
But with you, I'm helpless

G **D**
And it's so cold, when you're gone

Em **C**
The flame dies out and smoke fills the emptiness

G
Yeah, you know I'm drunk, darling

D **Em** **C**
But I hope you don't mind, in your voice I hear smiling

G **D** **Em**
Oh no, tried your best to not catch feelings

C

But with me you re helpless

Sweet like sugar on my lips

Em **C**
