Last Night
The Vamps

G#
Oh Oh Oh Oh
C#
Oh Oh Oh Oh Oh
Fm   **C#**
Oh Oh Oh Oh Oh Oh

G#
  I hold my hands up high
C#
  and throw my glass into the sky
Fm
  oh when the morning comes
C#
  We ll never see the sun
G#
  And if the walls close in
C#
  Then let s just start it all again
Fm
  That s when the evening comes
C#
  oh yeah the evening comes

G#
Woah Wooahh
C#
  No we re not going home tonight
Fm
  Wake up the stars are shining
        C#
We ll do it, we ll do it, we ll do it again

G#   **C#**
Wake up in the morning with the sunlight in my eyes
          Fm
But my head don t feel so right
          C#
What the hell happened last night
          G#
Yeah last night when were dancing,
          C#
Singing all our favorite songs
        Fm
Think i might of kissed someone
          C#
And if tomorrow never comes

```
          G#
We had last night

G#
  Let s shut this party down
C#
  And pull the building to the ground
Fm
  yeah we re gonna slip it on
C#
  One night is all we ve got
G#
  Let s dance until we die
C#
  Nobody s going home tonight
Fm
  This kiss could be our last
C#
  C mon and raise your glass

G#
Woah Wooahh
C#
  No we re not going home tonight
Fm
  Wake up the stars are shining
        C#
We ll do it, we ll do it, we ll do it again

G#                              C#
Wake up in the morning with the sunlight in my eyes
         Fm
But my head don t feel so right
          C#
What the hell happened last night
           G#
Yeah last night when were dancing,
          C#
Singing all our favorite songs
       Fm
Think i might of kissed someone
            C#
And if tomorrow never comes
               G#
We had last night

G#
We ll do it all again,

We ll do it all again,
C#
So bring your friends
```

```
                                                                Fm
and tell your friends that we had fun (we had Last night)

we ll do it all again, (Oh Oh Oh Oh)

we ll do it all again, (Oh Oh Oh Oh)
C#                                                      G#
By the end of tonight we had fun (we had Last night)

we ll do it all again, (Oh Oh Oh Oh)

we ll do it all again, (Oh Oh Oh Oh)
C#
So bring your friends
                                                         Fm
and tell your friends that we had fun (we had Last nigh)

we ll do it all again! (Oh Oh Oh)

we ll do it all again! (Oh Oh Oh)
C#
By the end of tonight!

G#                                       C#
Wake up in the morning with the sunlight in my eyes
         Fm
But my head don t feel so right
           C#
What the hell happened last night
           G#
Yeah last night when were dancing,
          C#
Singing all our favorite songs
      Fm
Think i might of kissed someone
           C#
And if tomorrow never comes
             G#
We had last night

Wake up in the morning with the sunlight in my eyes
No my head don t feel so right
What the hell happened last night
Well yeah last night when we were dancing, singing
all our favorite songs
Think i might of kissed someone
And if tomorrow never comes
We had last night
```
